

Observation Sheet for Secondary School Inquiry-based Learning

Date _____

Time _____

Observations carried out by

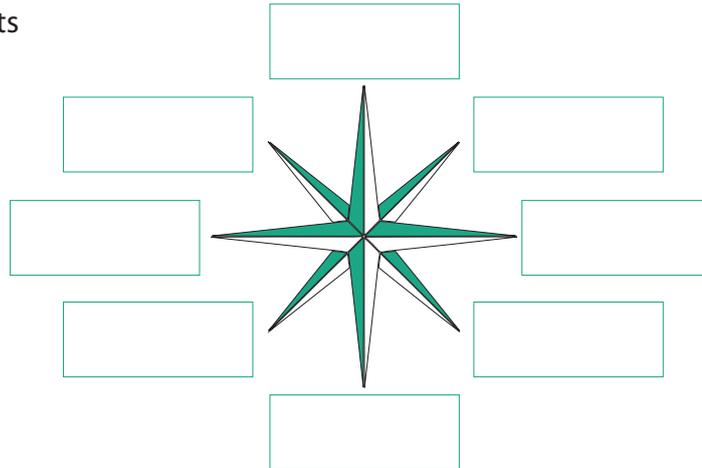

Mark the measurement spot on the drawing	Measurement spot 1	Measurement spot 2	Measurement spot 3
Lake depth			
Water transparency			
Colour of water			
Water temperature on the surface			

Measurements at various depths

1 m	Temperature			
	O ₂ %			
5 m	Temperature			
	O ₂ %			
10 m	Temperature			
	O ₂ %			
15 m	Temperatuur			
	O ₂ %			
20 m	Temperature			
	O ₂ %			
25 m	Temperature			
	O ₂ %			

Navigation on Lake Saadjärv

 Mark the cardinal points

 Mark the observation spot on the map

 Mark the starting point on the map

 Set the course

Tasks at the observation spot

 Which way is the church

 Which way is the Nature Centre

 Which way is the Saadjärve Manor

 Wind direction
